***We are on the frontlines everyday
rescuing men and women from
sex-trafficking and homelessness while
preventing children and vulnerable
individuals from falling victim.***

Join Us

Since its inception in 2003, Frontline Response has evolved, and we are continuing to grow. We have seen a tremendous amount of success with this ministry, becoming known as a leading rescue organization for those facing homelessness and sex trafficking, as well as prevention.

Our years of serving on the frontlines have established our niche as a unique type of first responder. As we look toward our 100-year vision with a goal to increase the impact of our ministry, Frontline Response is focusing on three distinct areas – identity, growth, and impact.

We are excited to share that we are growing into a new 18,000+ sq. ft. Global Response Center, our Atlanta headquarters with state-of-the-art training facilities. The campus will provide the opportunity to increase rescue and prevention programming, especially the team's ability to facilitate national training efforts. We are creating innovative program replication models that will allow us to expand our reach to new cities in the State of Georgia and nationally.

Our anti-sex trafficking department responds to crisis situations 24/7, efficiently coordinates the care needed for stabilization, and makes connections to long-term care on behalf of victims. We address homelessness through weekly outreaches, support lines, case management services, long-term program placement, and homeward bound assistance. Through our prevention programs, we partner with children and families to cultivate positive relationships, reduce harm, and focus on the future.

Frontline Response recognizes that none of this would be possible without the support of our dedicated partners. We acknowledge with gratitude the rich relationships with many who have united with us year after year, serving on the frontlines with us on this incredible journey. Join us in pledging valuable resources to rescue those in crisis and to prevent others from becoming victims. Together, we will be a voice for those seeking a pathway to freedom.

Sincerely,
Dr. John Hull
Board Chairman

Join us to create pathways to freedom for individuals in crisis to live free unencumbered by trauma.

FREEDOM REIMAGINED

The Path To Freedom Begins Here.

Freedom Reimagined is a movement designed to make freedom accessible for all people.

A Campaign & Tour Supporting **Frontline**
RESPONSE

You are invited to join our Host Committee

We are honored to invite you to join us as an official member of our 20th Annual Frontline Response celebration. But It's more than a celebration. It's the launch of a national movement that will mark the beginning of 'Freedom Reimagined'.

After rescuing over 3,000 Individuals from captivity, one question continued to arise. What does freedom really mean? For some, it's being rescued from sex trafficking; for others, it's the beginning of life off of the streets; and for others, it's having the tools to keep them safe from predators located in every city in our nation.

Frontline Response has bold plans for this year. We are growing with 'boots on the ground' in Atlanta, Columbus, Ohio; Houston, Miami and West Palm Beach with support in additional cities across the nation. Our faith has guided us to places where our programs are flourishing and to people like you who can provide local leadership as we meet the need.

We hope you will join us as an official host and member of our Founder's Society as we kick off this life changing campaign. Your leadership and vision will strengthen the Freedom Reimagined movement.

*It would be an honor,
Frontline Response Team*

Our Plan for Freedom
