SPONSORSHIP OPPORTUNITIES

The Farm at Harvest Hills

**670 Hills-Miller Rd,
Delaware, OH 43015**

Today, there are far too many people trapped in the darkness of sex trafficking. Out of Darkness is a ministry that charges into the darkest places and hardest situations, bringing with us hope and freedom. We are on the frontlines every day to eradicate sexual exploitation, reaching the unreachable, the invisible, and the forgotten.

But we can't do it alone.

By partnering with Out of Darkness, you become the light in that darkness.

You are rescuing and caring for victims of commercial sexual exploitation through street outreach, a drop-in center, jail pen pal ministry, strip club ministry, a 24/hour rescue line, secure safe home, and case management services that connect these women to long-term recovery programs.

Will you offer the **hope** that our city so desperately needs and leave a legacy that will impact generations to come?
